CHAPTER –I

1.0 POLICY PREAMBLE

1.1 Compulsory acquisition of land for public purpose including infrastructure projects displaces people, forcing them to give up their home, assets and means of livelihood, a part from depriving them of their lands, livelihoods and resource-base, displacement has other traumatic psychological and socio-cultural consequences. The Government of Andhra Pradesh recognizes the need to minimize large-scale displacement to the extent possible and, where displacement is inevitable, the need to handle with utmost care, human touch and forethought, issues relating to Resettlement & Rehabilitation of Project Affected Families. Such an approach is especially necessary in respect of tribal, small & marginal farmers and women.

1.2 The system of extending cash compensation does not, by itself, in most cases, enable the affected families to obtain cultivable agricultural land, homestead and other resources, which they have to surrender to the State. The difficulties are more acute for persons who are critically dependent on the acquired assets for their subsistence/ livelihoods, such as landless agricultural workers, forest dwellers, tenants and artisans, as their distress and destitution is more severe, and, yet they are not eligible for compensation.

1.3 The Policy essentially addresses the need to provide succour to the asset less rural poor, support the rehabilitation efforts of the resource poor section, namely, small and marginal farmers, SCs/STs and women who have been displaced, besides, it seeks to provide a broad canvas for an effective dialogue between the Project Affected Families and Project Displaced Families and the Administration for Resettlement & Rehabilitation. Such a dialogue is expected to enable timely completion of projects with a sense of definiteness as regards costs and adequate attention to the needs of the displaced persons especially the resource poor sections. The intention is to impart greater flexibility for interaction and negotiation so that the resultant Package gains all-round acceptability in the shape of a workable instrument providing satisfaction to all stakeholder/ Requiring bodies.

1.4 The GOAP Policy on the Resettlement & Rehabilitation of Project Affected Families and Project Displaced Families will be applicable to the projects as defined in this policy and upon notification under this policy.

1.5 Administrator for Resettlement & Rehabilitation shall implement this Policy in letter and spirit in order to ensure that the benefits envisaged under the Policy reaches the Project Affected and Displaced Families, especially resource poor sections including SCs/STs.

CHAPTER –II:**2.0 OBJECTIVES OF THE POLICY**

The objectives of the Policy are as follows:

- 2.1 To minimize displacement and to identify non- displacing or least- displacing alternatives:
- 2.2 To Plan the resettlement and rehabilitation of Project Affected and Displaced Families, (PAFs/ PDFs) including special needs Tribals and vulnerable section;

ORDER:

The Government of Andhra Pradesh through Government of India has applied for financial assistance in the form of a Loan from the World Bank for the Andhra Pradesh Road Sector Project (APRSP) to a tune of US\$ 320 million. Already 50% of the work has been commenced and tender processes also completed. As such it is felt that there is now necessity to appoint a Commissioner and Administrator to monitor the Rehabilitation and Resettlement activity of the APRSP.

2. Government, after careful examination of the matter, keeping Chapter IV & VIII of R&R Policy and in view of the recommendations of the Chief Engineer (R&B) Core Road Network & Managing Director, Andhra Pradesh Road Development Corporation in the reference read above, hereby issue orders for constitution of “Project Level Monitoring Committee” in each district of the State except Hyderabad.

3. The Project Level Monitoring Committee will be headed by Joint Collector of the concerned district in whose jurisdiction the main component of the project lies. In case the main component of the project spreads over more than one district, the senior among the Joint collectors involved shall chair the committee for reviewing and monitoring the progress of implementation of resettlement and rehabilitation relating to the project. The committee shall meet at least once in two months. The members of the committee will be as per the list under clause 8.3 of chapter VIII of R&R Policy with the Superintendent Engineer (R&B) of the concerned district as Convenor.

4. The Principal Secretary to Govt., T,R&B Department shall act as R&R Commissioner and Convenor at the State level.

2 The Chief Engineer [R&B] Core Road Network & Managing Director, Andhra Pradesh Road Development Corporation, Hyderabad shall take further action for constitution of Project Monitoring Committees with members as mentioned in the list under clause 8.3 of chapter 8 of R&R Policy.
